Principal's Message

On behalf of The Assumption Primary School, I hereby submit the Annual School Report for 2016. The report provides you with statements on the nature and operations of our school, and our relationship with the wider Bathurst community.

The Assumption Primary School is a welcoming Christ-centred learning community that promotes a quality holistic education, trusting relationships and a caring and supportive environment. Our school maintains a standard of excellence in education, making use of available resources. Above all, our key mission is the education and guidance of each child's faith development, based on Gospel values.

Our school is guided by a dedicated and highly professional staff team who are focussed on the education of each student to his or her full potential. Emphasis is placed on catering for individual needs, across a range of educational opportunities. Students at Assumption have opportunities for enriched learning in all areas of their faith, their academic growth and their social development.

I encourage you to come to know more about the Assumption Primary School through this provided report.

Parish Priest's Message

A great tradition of the Cathedral Parish is the starting the school year with a Mass for all in Catholic Schools. It gives us focus on the task ahead - that all the many elements that constitute our educational endeavours are underpinned by Jesus Christ, the mystery of God, and the strength and guidance of the Holy Spirit. We reaffirm that reality for each school community at our opening school Masses. These Masses and other liturgies that are celebrated during the year make explicit our recognition of our faith in Jesus Christ and our dependence on his grace and love. This nurturing of the spiritual dimension of students' lives is also woven into the daily life of our school. The values of kindness, fairness, compassion, and justice are witnessed by all members of the school community. The ongoing struggle for all of us is to be consistent in our living of these values. Sometimes we fail, and then that other crucial Christian value of forgiveness, has to be brought forth. While we learn a lot about God, revealed by Jesus, the challenge is to apply this in our relationships and in the places we live and interact with one another.

Fr. Paul Devitt

Student Body Message

At Assumption Primary School we are able to participate in a range of activities. While sport is one of our favourite things, we are also conscious of our social obligations as young people of community.

We participated in some wonderful social justice fundraising activities including an Biggest Morning Tea for Cancer Council, Mini Fete and Melbourne Cup dress up. Funds raised from these events were directed to the works of CARITAS, Catholic Mission, Cancer Council and providing an end of year gift to the school of Buddy Benches.

All students had the opportunity to participate in the Bathurst Eisteddfod through verse speaking, choral, dance or band performances. Students also had opportunity to be involved in the CWA Public Speaking Competition, the Kids Lit Quiz, inter school chess competitions, ANZAC Day march and the Mighty Minds Muster. For our band members, a highlight of the year was their three day band tour to schools in western Sydney where they worked with other school bands in preparing items and then participating in combined band performances.

SECTION TWO: SCHOOL FEATURES

The Assumption School is a Catholic systemic Co-Educational School located in Bathurst.

We were founded in 1952 by the Sisters of St Joseph (Perthville) to meet the needs of the growing population of west Bathurst. The Josephite traditions are proudly kept alive through our commitment to guiding the faith development of our students, maintaining high educational standards and giving life to Mary MacKillop's credo of *'Never see a need without doing something about it'*. We are blessed to have our Assumption Church onsite where we can visit as needed and where we can share community prayer and celebrations.

Our school caters for 385 students in 14 class groups. Our students enjoy well maintained and well resourced learning spaces. Students are able to use our extensive outdoor spaces including two playing ovals, basketball court and handball courts. In addition to this, they have access to an indoor gymnasium/undercroft for all weather sport time and playtimes. The Assumption School Hall is a venue that allows us to gather in comfortable surroundings for weekly assemblies, performances and community events. Adjacent to the hall, the students enjoy our well-equipped performing arts rooms where weekly music, dance and drama lessons are conducted.

Classroom learning is supported by grade excursions that expand curriculum content experiences. Excursion highlights in the senior years are the Year 5 Canberra trip and the Year 6 Christian Living Camp at Lake Burrendong. In addition to excursions, students enjoy in-school visiting groups for creative arts performances. Students also have the opportunity to participate in a full range of extra curricular activities including school band program, diocesan spelling competition, public speaking competitions, a wide range of sporting activities, choir performances, literature quizzes, the Bathurst Eisteddfod, chess competition and student leadership programs.

Students with additional learning needs are supported by our learning support staff who offer in-class support, and where applicable, specialised withdrawal programs. Students are given additional support by in-class teacher assistants. Indigenous students, and their families, are supported by the Aboriginal Education Worker. Our learning support staff, and all classroom teachers, benefit from the partnerships established with the Catholic Education Office and Charles Sturt University in monitoring student reading achievement through the DIBELS intensive reading program.

Assumption School has a strong community presence with participation in the annual ANZAC Day march, nursing home visits, community events and parish activities.

From 2016, in partnership with Centacare, we are able to offer before/after school and vacation care at the onsite Assumption Outside School Hours Care (AOSHC). This is a valued service for our parents and students.

Managing Student Non-Attendance

Regular attendance at school is essential if students are to maximise their learning. The School, in partnership with parents, is responsible for promoting the regular attendance of students. While parents are legally responsible for the regular attendance of their children, school staff, as part of their duty of care, monitor part or whole day absences.

School staff, under the Principal's leadership, support the regular attendance of students by:

- providing a caring teaching and learning environment which fosters students' sense of wellbeing and belonging to the School community;
- maintaining accurate records of student attendance;
- recognising and rewarding excellent and improved student attendance;
- implementing programs and practices to address attendance issues when they arise.

The Principal is responsible for supporting the regular attendance of students by ensuring that:

- parents and students are regularly informed of attendance requirements and the consequences of unsatisfactory attendance;
- all cases of unsatisfactory attendance and part or full day absences from school are investigated promptly and that appropriate intervention strategies are implemented;
- documented plans are developed to address the needs of students whose attendance is identified as being of concern;
- the Executive Director of Schools (or designated CEDB Officer) is provided with regular information about students for whom chronic non-attendance is an issue and for whom School strategies have failed to restore regular attendance.

Professional Learning

The ongoing professional development of each staff member is highly valued. Professional learning can take many forms including whole school staff days, subject specific in services, meetings and conferences and a range of professional learning programs provided by the Catholic Education Office Sydney. The School takes responsibility for planning, implementing, evaluating and tracking of its staff professional learning and individual staff members take responsibility for their ongoing professional development. All teachers have been involved in professional learning opportunities during the year related to improving student outcomes.

The School held the equivalent of five staff developments days this year with areas of focus as follows:

Term 1	School Organisation & Planning; Setting Shared Directions
Term 2	Developing Writing - personalised and engaging writing activities and assessment.
Term 3	Religious Education: Planning for Liturgical Celebrations
Term 4	CPR and First Aid Certification

Four twilight staff meetings were held in lieu of Term 4 Staff Development Day. The topics of these meetings were:

- Educating Boys
- School Wide Behaviour for Learning Program
- MCCL Focus Areas (2 meetings): Personalised & Engaging Learning

Staff continued to build their understanding of, and participation in, the diocesan Professional Learning Community (PLC) program. Time was scheduled fortnightly for staff to meet in grade and stage teams to analyse data, plan for student learning and evaluate programs. A key outcome of PLC in 2016 was the development of essential learnings in Reading and Writing.

SECTION FIVE: CATHOLIC LIFE AND RELIGIOUS EDUCATION

Catholic Schools have a unique role in the evangelising and educating mission of the Church. As a key ministry of parishes and the diocese, Catholic schools encourage and support parents in their responsibility for the faith formation of their children. This formation is supported by prayer and opportunities to participate in the life, mission and liturgy of the broader Catholic community.

The School follows the Diocesan Religious Education Curriculum and uses the student textbooks *To Know, Worship and Love*, as authorised by the Bishop of Bathurst.

Assumption Catholic Primary School is a pastoral ministry of the Cathedral Parish, Bathurst. Our mission is to develop the faith of our students according to Gospel values, maintaining educational excellence, in a safe and supportive environment. Explicitly and implicitly, Religious Education forms an integral part of the total curriculum of our school. It is broader than the classroom teaching of religion, and is directed towards the personal and religious development of our students.

Students have opportunity for daily prayer and religious education instruction using the diocesan units of study. Sacramental life is celebrated through daily prayer, classroom instruction, liturgies and mass. The sacramental program is incorporated within the parish, emphasising the participation of parents, support people and our parishioners. The sacrament of Reconciliation is received in Year 2, First Eucharist in Year 3 and Confirmation in Year 6. Assumption staff and students are involved in parish ministries and activities.

The school program is aligned with the liturgical calendar with key celebrations being the season of Lent/Easter, feast days including St Patrick, St Joseph, St Mary of the Cross, The Feast of the Assumption, All Saints Day and the season of Advent/Christmas. Other significant celebrations include our Opening School Mass, Mother's Day and Father's Day. A special celebration each year is our Rosary Program in August.

In July we celebrated the Feast of St Ann and St Joachim, Jesus' grandparents, by introducing our Grandparents' Day Mass, morning tea and open classrooms. This was a very special inaugural event that will surely go from strength to strength.

To celebrate the Feast of The Assumption, we joined with other Catholic primary and secondary schools of the parish for a combined schools' Mass at St. Stanislaus' College. This gathering of 1500 school students was a very special celebration. The following day we shared a day with liturgical performer and composer, Andrew Chinn singing some of our favourite liturgical songs which we enjoyed performing in a concert at the end of the day. These songs are becoming favourites in our school liturgies and masses.

Our faith is brought to life through our pastoral care and social justice outreach. Students and staff willingly undertake fundraising activities to support initiatives such as CARITAS, St. Vincent De Paul, Mission Week and community appeals.

Students in Years 6 and 8 in Catholic schools in the Diocese of Bathurst undertake the Diocesan Religious Education (RE) Test annually. The test consists of fifty multiple-choice questions. Results of the test are analysed by teachers and are used to inform teaching and learning in Religious Education.

Our School's average result (as a mark out of 50)	
Year 6	29.85

Further information about the Archdiocesan Religious Education Curriculum and the RE Tests may be accessed at the [Religious Education and Evangelisation](#) site on the Catholic Education Office Sydney website.

SECTION SIX: CURRICULUM

The school provides an educational program based on, and taught in accordance with the BOSTES syllabuses for Primary Education. The Key Learning Areas (KLAs) are English, Mathematics, Science and Technology, Human Society and its Environment, Creative Arts and Personal Development, Health and Physical Education. In addition, the school implements the curriculum requirements of the Catholic Education Office Bathurst. School effectiveness is monitored by the Quality Catholic Education self review process and through regular school reviews conducted by CEO personnel. Staff members are committed to continuous improvement of teaching and learning in all facets of the curriculum.

The Assumption School adheres to the prescribed NSW Education Standards Authority (NESA) curriculum guidelines for all key learning areas in Kindergarten to Year 6. Teachers develop units of work that address the learning outcomes, key skills and understandings of the set syllabus areas. Courses of study develop the student's understandings and skills at their point of need; aiming for the implementation of a differentiated curriculum that recognises that all students learn at a different pace. This is further supported through the school's learning support structures for students experiencing difficulties, and through enrichment activities for those students requiring learning extension.

Our school has two specialist Creative Arts teachers who develop music, dance and drama programs for our students from Kindergarten to Year 6. This is further supported by our partnership with the Mitchell Conservatorium of Music who provide individual instrument tuition, and with a drama tutor who provides private tuition in drama and speech.

The sporting life of Assumption Primary School is indeed rich in opportunity for students to find their preferred physical activity. Our school has annual carnivals for swimming, athletics and cross country; participation in these can see students progress to representative school, diocesan and state teams. Students receive skills training in AFL, cricket and football. As students enter Years 3-6 that have opportunity to participate in teams for soccer, AFL, rugby union, rugby league, netball, tennis and cricket gala events.

Parents receive school reports twice a year, in June and December. These reports summarise student learning, set ongoing goals, and provide meaningful feedback to parents. These are supported by start of the year learning conversations, half yearly parent/teacher meetings and parent/teacher meetings at other times as requested by either parents or teachers.

SECTION SEVEN: STUDENT PERFORMANCE IN STATE-WIDE TESTS AND EXAMINATIONS

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. NAPLAN assessment results provide valuable information about student achievements in literacy and numeracy. An analysis of these results assists School planning and is used to support teaching and learning programs.

The tables below show the percentages of students who achieved particular skill bands in numeracy and the aspects of literacy. The School results shown are compared to students nationally. Literacy is reported in four content strands (aspects): Reading, Writing, Spelling, Grammar and Punctuation. Numeracy is reported as a single content strand.

Student Welfare Policy

The Assumption School Welfare Policy focuses on respect for both staff and students. We aim to develop in the children a deep respect for one another in the classroom, in the playground, at home, and in the wider community. The school expects strong support from parents in developing common understandings and expectations. The school works with parents to develop a successful and happy young person.

Students are encouraged to accept personal responsibility for their actions, and to recognise that incidences of inappropriate behaviour will have consequences. Behaviour expectations are discussed in class, at school assemblies and shared with parents in communications. The protection of the individual from all forms of harm is paramount - a responsibility and commitment from staff and parents.

A school counsellor is available to assist students and families as needed. Referral to this service is through the school.

There were no changes to this policy during the 2016 school year but a review has commenced in readiness for 2017.

The full text of the School's Pastoral Care Policy may be accessed on the School's website or at the administration office.

Discipline Policy

Corporal punishment is expressly prohibited in this School. The School does not sanction administration of corporal punishment by School persons and non-School persons, including parents, to enforce discipline in the School.

Discipline Policy

The Discipline Policy at Assumption School aims to facilitate the development and experience of responsible self-discipline among students. Our policy determines acceptable student behaviour and appropriate corrective measures, intrinsically related to the principles and values of the Gospel.

Each class teacher develops class expectations, reward systems and consequences for inappropriate behaviour choices. Where students fail to adhere to classroom or playground expectations, they are referred to the Assistant Principal or Principal for further discussion and action.

Parent communication is vital in ensuring that home and school work together to correct inappropriate behaviours. Therefore, parents are contacted by class teachers, or members of the school executive, to discuss major breaches of school rules by their children.

We are pro-active in our approach to discipline, with close connections made to our Welfare Policy. The review of this policy commenced in 2016 to ensure that the needs of all in our community are being met. We are looking to implement the School Wide Positive Behaviours for Learning (SPB4L) Program in our school.

The full text of the School's Student Discipline Policy may be accessed on the School's website or at the administration office.

Anti-Bullying Policy

The Diocese of Bathurst has established a *Discrimination, Harassment and Bullying Policy* which is used to guide the school's Anti-Bullying Policy. It provides a framework for school communities to work together to prevent and address issues of student bullying, in order to build respectful relationships that respond effectively and sensitively to the needs of each person. The Catholic Education Office (CEO) monitors the implementation of this policy as part of school compliance requirements. No changes were made to the policy this year.

The full text of the *Anti-Bullying Policy* may be accessed at the administration office.

Complaints and Grievances Resolution Policy

The Diocese of Bathurst has established *Guidelines for the Management of Complaints* which is implemented by our school through the Complaints Policy. The rationale for the policy is that within the reality of the schooling experience, it is recognised that, from time to time, misunderstandings and differences of opinion will occur, and that these need to be resolved satisfactorily. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world. The Catholic Education Office (CEO) monitors the implementation of this policy. No changes were made to the policy this year.

The full text of the *Complaints Policy* may be accessed on the School's website, or the administration office.

Initiatives Promoting Respect and Responsibility

The students of Assumption are always reminded about the living of Gospel values of respect for self and others, and our responsibilities as people of God. These are brought to action through the way the children are encouraged to speak to others, to treat others and to present oneself.

Student leadership is fostered through in-class studies, leadership programs such as the GRIP Leadership Day in Bathurst and the Halogen Foundation's Young Leaders Program in Sydney in March each year. Year 6 students have the opportunity to take up formal leadership roles as school captains, sport captains and other leadership roles.

Our school develops in our students a strong sense of contributing to our school community, our local community and our wider world. Students have opportunity to share information at school assemblies and to lead fundraising activities such as the mini-fete and social justice initiatives. One such student initiative in 2016 was our Purple Day to collect toiletry items and cash donations for victims of domestic abuse.

Students across our school are encouraged to live Mary MacKillop's message of "Never see a need without doing something about it."

SECTION NINE: QUALITY CATHOLIC EDUCATION

The School implements the Catholic Education Office Bathurst Quality Catholic Education Framework which outlines the processes and benchmarks for creating the culture and practice of continuous improvement with students as the focus.
