Principal's Message

St. Pius is part of a witnessing Catholic community that includes the school community of staff, children and parents, the Parish and the wider community. Catholic values are enunciated and practised to create an atmosphere of love that provides children with a safe and secure environment of total acceptance.

St. Pius has a reputation as a "happy school". This fact has been commented upon by parents, visiting professionals and other visitors to our school including casual staff. We are very proud of this and work tirelessly to promote a sound and caring pastoral care program for our students and parents and a friendly and welcoming atmosphere of hospitality to all. "Active happiness" should be the most distinctive characteristic of a Christian, Saint Paul teaches.

As a community and to the CEO in Bathurst who manage our school as part of a system of schools in the Bathurst Diocese. Our Annual Development Plan outlines policies and informs parents and the community of the school performance and the improvements that have occurred in the teaching and learning, information technology, living gospel values and enhancing communication among stakeholders in our school.

Parish Priest's Message

Catholic schools and institutions must reflect the moral and religious principles on which they were established - universities, schools and hospitals - must be "genuinely Catholic" and conform to official teaching on "respect for human life, marriage and family and the right ordering of public life". As we acknowledge the help and financial support of the government we must always maintain that independence which allows us to see that the "utmost importance" in Catholic institutions is that we be "Catholic in our self understanding and Catholic in our identity" JP II

This remains the great challenge facing Catholic institutions in Australia today. As Catholic schools operating within the Catholic Parish of St Brigid's we are called to work ever more assiduously to embrace the Gospel message of Christ and his teaching as passed on to us through His Church and to reflect these values in every aspect of our school life.

We thank our teachers and staff for taking the Gospel imperative to teach the truth in its fullness

Fr Greg Kennedy

Parent Body Message

St Pius X parent and friends association provides a vital link between the parents of St Pius and the school, apart from a variety of fund raising activities the committee also organising a number of social functions for the school community and also gives parents an opportunity to participate in the education of their children.

A highlight of the social calendar is the annual Trivia Night, this enjoyable social night gives parents and teachers and the wider community a great opportunity to interact on a social level. This night also serves as a major fund raiser for the committee. Other events in the past have included a Golf Day which has great community participation and we are thankful to our sponsors for their support.

The major fundraiser for 2015 was the Melbourne Cup Trifecta. We managed to raise 23,000.

The P & F is very grateful for the support it receives each year from the students, parents, teachers and Community as a whole.

Student Body Message

At St. Pius X School we have a student Representative Council. The Council is made up of students from Kindergarten through to Year 6.

Our school's SRC formed in 2015. One member is elected from each class every six months. Students are nominated by their class mates. Our school Captains and House Captains also belong to the SRC.

Two teachers coordinate and organise the SRC. We meet approximately three times a term during lunchtime.

Each member is given a badge and a book to record ideas and suggestions for meetings. Each member is also allocated a duty to be responsible for within or school.

At meetings we discuss our duties, any points for discussion from our respective class members and any upcoming events. After meetings have been held we report back to our class members.

During the past couple of years we have been constructive in the organisation of fundraising for Sr. Alex and her Missionary work, sponsoring students in Papua New Guinea, organising Harmony Day and our schools feast day activities, conducting Values Education and Anti-Bullying activities at assemblies, hampers for St. Vincent De Paul and Save the Rhinos Appeal.

The SRC have achieved many things.

SECTION TWO: SCHOOL FEATURES

St Pius X Primary School is a Catholic systemic Co-Educational School located in Dubbo.

St Pius X Primary School is a Catholic systemic Co-Educational School located in Dubbo.

St Pius X opened in 1973 as a single stream K to 2 Catholic School situated at the corner of East and North Street in West Dubbo. The foundation Principal was a Sister of Mercy. St Pius X celebrated 40 years.

In 1982 St Pius X became a K to 6 school. The extensions were officially blessed and opened by the most Reverend Bishop Thomas of Bathurst on 18th April 1982.

Thanks to the P21 BER program, we were able to have brand new toilets, covered shelter area adjacent to the infants classrooms. WE have a state of the art Library, a new classroom, refurbished Admin building and interactive white boards in every classroom. We also have an I.T.C Centre.

The top playground is paved and landscaped with attractive shrubs. To protect children from the sun we have a sheltered paved area for quiet play.

Our annual concert was International Dancing. Each class performed a dance from 7 different countries K did Dutch, Yr1 Ireland, Yr 2 Bollywood, Yr 3 Chinese, Yr 4 Italian, Yr 5 Phillipino and Yr 6 did Lebanese. These countries were chosen as we have children from these countries in our school. A professional Ballet teacher was hired to teach the dances.

Enrolment: WE now have 200 students.

The essential requirement for enrolment and continuing enrolment is adherence to school policies, full participation in the Catholic practices of the school and that parents/guardians provide supporting documentation when enrolling their child.

Prospective parents can access an enrolment pack by contacting the school or from the website.

Enrolment acceptance or non-acceptance can only occur after an interview with the Principal. The Principal will then make the final decision regarding enrolment.

Staff: The staff of 17 includes the Principal, 4 full time teachers, 3 in a job share position, 3 part time teachers (including Teacher-Librarian, Support Teacher, 1 Executive Release Teacher), 5 part time Teacher Assistants, 1 full time Secretary, 1 Maintenance/Groundsman, 1 Cleaner.

School staff, under the Principal's leadership, support the regular attendance of students by:

- providing a caring teaching and learning environment which fosters students' sense of wellbeing and belonging to the School community;
- maintaining accurate records of student attendance;
- recognising and rewarding excellent and improved student attendance;
- implementing programs and practices to address attendance issues when they arise.

The Principal is responsible for supporting the regular attendance of students by ensuring that:

- parents and students are regularly informed of attendance requirements and the consequences of unsatisfactory attendance;
- all cases of unsatisfactory attendance and part or full day absences from school are investigated promptly and that appropriate intervention strategies are implemented;
- documented plans are developed to address the needs of students whose attendance is identified as being of concern;
- the Executive Director of Catholic Schools or designated Catholic Education Office Bathurst officer is provided with regular information about students for whom chronic non-attendance is an issue and for whom School strategies have failed to restore regular attendance.

SECTION FIVE: CATHOLIC LIFE AND RELIGIOUS EDUCATION

Catholic Schools have a unique role in the evangelising and educating mission of the Church. As a key ministry of parishes and the diocese, Catholic schools encourage and support parents in their responsibility for the faith formation of their children. This formation is supported by prayer and opportunities to participate in the life, mission and liturgy of the broader Catholic community.

The School follows the Diocesan Religious Education Curriculum and uses the student textbooks *To Know, Worship and Love*, as authorised by the Bishop of Bathurst.

Mission Statement

- * To be a witnessing Catholic community where values are understood, enunciated and practised by staff and pupils
- * To create an atmosphere of love in which the child will feel secure and accepted and so be able to develop his/her individuality to his/her potential
- * To guide the children's learning experiences so that they acquire the appropriate knowledge and skills to satisfy curriculum requirements
- * To provide experiences that will foster the total development of the child
- * To help the children realise that they compete for the personal satisfaction that competition provides and not just for the winning

Schedule of Liturgies

Generally children will experience one or two whole school liturgies each term, corresponding with the opening and closing of school each year and special feast days and occasions

Each class will have the opportunity of preparing a grade Mass or liturgy approximately once per year

The whole school will attend one Mass per term in St. Brigid's Church if possible

Grade teachers organise grade Masses and are responsible for preparing their children for Reconciliation and for leading the Mass

A series of Personal Development classes is conducted by the class teacher based on the CEO Diocese of Bathurst Programme

Themes covered in the Year 5 programme include:

- * Building self esteem
- * Decision making
- * Feelings

The seven major Key Learning Areas meet the Board of Studies requirements.

We have programs that are designed specifically by the class teacher, parents, support teacher and outside consultants such as speech pathologists, occupational therapists and physiotherapists, for a child with Downe Syndrome, children with special language disorders, children with cognitive disabilities and occupational therapy needs.

Individual teachers differentiate the curriculum for Gifted and Talented students. We also have individual programs delivered 1:1 to NESB students.

A huge focus on the PLC concept starting with the KLA of Maths.

Music, dance and Drama are taught by the Principal giving the teachers their release each week.

All classes go on excursions to the Western Plains Cultural Centre for art lessons. This experience is invaluable as children are taught a variety of skills. Excursions to the Tiered Theatre occur when children from all classes are taken to live shows in conjunction with the units they learn in English and the Creative Arts.

Implementation of the new English Curriculum is very successful as staff collaborated in stages when programming and designed proformas so that all aspects of the English Curriculum were covered.

The units of English were integrated with some History. This saved time for creative work and rich tasks to occur.

We continue to use the Live Life Well and Crunch N Sip programs, 4 weeks Gymnastics Program.

Our community service activities included: Mercy Mission in Sri Lanka and St. Vincent De Paul hampers, Relay for Life and Caritas.

Student Welfare Policy

RATIONALE

"This is what the Lord asks of you: only this, to act justly, to love tenderly and to walk humbly with your God".

Micah 6:8

Each child will be encouraged to develop a special, personal relationship with God

Parents, School and Parish work in partnership as a shared ministry to engender and affirm the Catholic Faith according to the appropriate level of a child's faith development

Children will be valued, active members of a Spirit-filled Faith Community. This encompasses the initiation and immersion into the Sacramental life of the church, rich liturgical experiences and frequent opportunities for prayer

As Christians we develop a sense of responsibility to actively witness and share our faith, particularly in the fostering of gospel values in the wider community

By developing an awareness of the value of God's creation, we will foster a responsible, balanced attitude towards the community and the environment

Fostering self-esteem is essential for the cognitive development and education of the 'whole person'. Children need to be allowed to grow as valued members of the school community

The full text of the School's Pastoral Care Policy may be accessed on the School's website or at the administration office.

Discipline Policy

Corporal punishment is expressly prohibited in this School. The School does not sanction administration of corporal punishment by School persons and non-School persons, including parents, to enforce discipline in the School.

Discipline Policy

Welfare and Discipline Policy

"I have come that you may have life and have it to the full" (John 10:10). The mission of Christ becomes a reality for us only when each individual respects his/her own worth and dignity and accepts his/her responsibility to respect the rights and dignity of others. Our discipline policy is based on Bill Rogers "choice theory". The student welfare and discipline policies can be accessed from the Principal

Anti-Bullying Policy

The Diocese of Bathurst has established a *Discrimination, Harassment and Bullying Policy* which is used to guide the school's Anti-Bullying Policy. It provides a framework for school communities to work together to prevent and address issues of student bullying, in order to build respectful relationships that respond effectively and sensitively to the needs of each person. The Catholic Education Office (CEO) monitors the implementation of this policy as part of school compliance requirements. No changes were made to the policy this year.

The full text of the *Anti-Bullying Policy* may be accessed at the administration office.

Complaints and Grievances Resolution Policy

The Diocese of Bathurst has established *Guidelines for the Management of Complaints* which is implemented by our school through the Complaints Policy. The rationale for the policy is that within the reality of the schooling experience, it is recognised that, from time to time, misunderstandings and differences of opinion will occur, and that these need to be resolved satisfactorily. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world. The Catholic Education Office (CEO) monitors the implementation of this policy. No changes were made to the policy this year.

The School engages in an annual evidence-based evaluation of its effectiveness against standards in collaboration with the School Consultant.

Catholic Life and RE

The annual plan for 2015 was to make the school an effective witness to Catholic faith and life responding to the evangelising mission of the church. We also took an active role in assisting parents to fulfil their role as primary educators of their children's faith education.

A big focus on the Sacramental program encouraging parents to be actively involved by invitations in newsletters, at assemblies and in individual class notes to parents. We also established a prayer focus on our playground. Staff are very involved in the church.

We now have implemented the PLC approach where students learning is of paramount importance.

Staff planned and collaborated their teaching programs in stages and excursions evolved around these programs.

Priority Key Improvements for 2016

We are continuing the PLC Program in our school as this is a Diocesan initiative. Learning is going to be a major focus so that every child will be catered for.

New furniture and iPads have been purchased for all classes.

The four critical questions will be the focus on which we base the learning program.

What do we want each student to know?

How will we know when each student has learned it?

How will we respond when a student experiences difficulty in learning?

Assessment will play a key role in the PLC project. Staff will plan pre-assessment activities before they program.

SECTION TEN: PARENT, STUDENT AND TEACHER SATISFACTION

The opinions and ideas of parents, students and teachers are valued and sought. Their suggestions are incorporated into planning for and achieving improved outcomes for students. This year, the School has used a variety of processes to gain information about the level of satisfaction with the School from parents, students and teachers.

St. Pius X has an active P & F that meets regularly and has indicated satisfaction in the elements of the school.

We often receive positive feedback on how well their children are looked after by the staff. They also comment on the high education standards.

Student Satisfaction

The school has an SRC who meet on a regular basis

They make requests for small improvements in the school. If the requests are sound and reasonable they are met.

Students indicated satisfaction in the elements of the school.

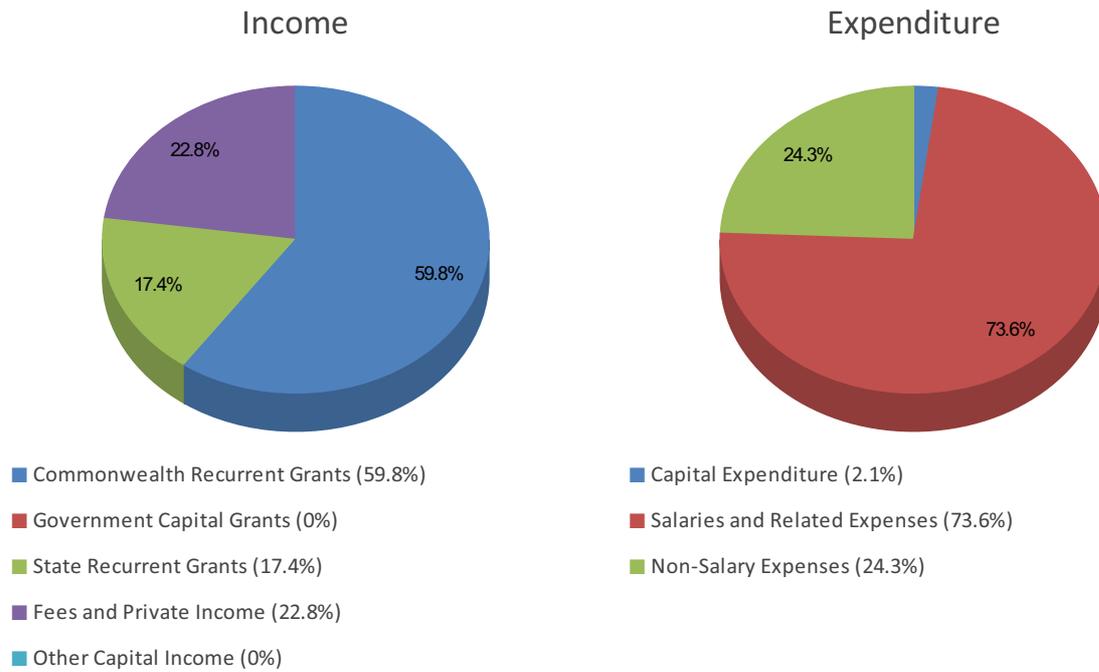

We have a Peer Support and Buddy System in our school where the older children use their initiative to work on programs with the younger children. These are very successful programs because the children wait for these to occur each term.

All students respect staff and show this respect by performing their tasks in and out of the classroom in a mature and happy manner.

Teacher Satisfaction

Staff and PLT meetings are held every week. We have an open agenda and staff have indicated a great deal of satisfaction in the elements of the school.
